

GILBERT BROTHERS TO IMPROVE STORE IN MISHAWAKA SOON

More Efficiency Claimed for Store's Rearrangement—Contract Let.

Because of the large increase in their business since the first of last year, the Gilbert brothers, Samuel and Oscar, have announced a number of improvements in their local store on Lincoln way W., which are to be completed within a short time. Although the projected improvements will not add materially to their floor space, the brothers declare the changes are being planned in order to take a better advantage of the space already utilized. The improvements under consideration will include changing the western half of the store into a ladies' ready-to-wear shop exclusively, withdrawing the sales counters that occupy that space at present, and placing them in advantageous places on the eastern side of the store. The rear of the building will be devoted to a shoe department which they plan to fill with a complete line of the latest modeled footwear for ladies. According to Samuel Gilbert, a considerable amount of their present stock of millinery is also considered, which will take place soon after the completion of the changes now planned. All the departments which will be enlarged and rearranged, will be decorated with all new fixtures and wood work. The latter will be of birch with an attractive mahogany finish. All new fixtures are also considered for the millinery department, which, it is said, will add considerably to the store's attractiveness. According to Samuel Gilbert, the contract for the planned improvements was let Friday afternoon to the Mishawaka Lumber Co., with the added stipulation that work on the new parts of the building should be started within the next ten days. When these changes are all completed, Mishawaka's women will be able to start at the front of the store and buy practically every article of clothing a woman could desire by making a complete circuit of the rearranged counters. Immense improvements, which were planned since the middle of last July, including the opening of their basement with several new features to stimulate the customer's interest, were necessarily postponed by the sudden death of Moses Gilbert, the father of the present owners of the Gilbert stores in Mishawaka and South Bend. The South Bend store's improvements were completed a short time ago, as they were started before the untimely death of the elder Gilbert, but as the contemplated improvements in the Mishawaka store were not started at that time the present owners have considered it best to postpone them for a short time.

SUNDAY'S CONCERT BY MADRIGAL CLUB POSTPONED A WEEK

To Be Held in First Methodist Church, Featuring South Bend Festival Octet.

January 7th will be the date on which the Madrigal club's Sunday concert will be given. The Sunday concert, which was to have been given tomorrow afternoon was postponed for one week because of the absence from the city of a number of the club's patrons and the prevalence of sickness throughout the city. This action was taken by members of the Madrigal club at a recent meeting. On Jan. 7th, the concert will be given in the auditorium of the First Methodist church, and will feature the South Bend Festival Octet, said to be one of the best known musical organizations in northern Indiana. The following Sunday, the Madrigal club's concert will be headed by Miss Nellie Wine, head of the department of music in the Mishawaka High school, assisted by the High school orchestra and glee club. This concert will be given in the First Presbyterian church. The Mishawaka Woolen Company's band and the Ball Band formation's club male quartet will furnish the main event of the concert on Jan. 28. The foremen's quartet is composed of L. T. McCollum, Clam Schelby, Russell Driver and George Bent. This concert will be given in the Battell school auditorium. At the present time, arrangements are under way to have the boys choir from St. Joseph's Catholic church, under the direction of Ernest Hoerstmann, appear at one of the concerts. An effort of the club to get this organization to aid in one of their concerts is anticipated by the club's many patrons as St. Joseph's choir has earned a favorable reputation since it was formed some time ago. Mrs. W. A. Sarrle well known Mishawaka harpist, has announced that complete arrangements for a concert of seven harps to be given here, some time in February, under the auspices of the Glee club, have been practically completed, and that the concert will probably be given Sunday, Feb. 25.

DRUNKS BUY BOOZE FROM SALESMAN IN POOL ROOM, THEY SAY

Three Drunks Claim They Bought Pint of Booze From "Hip Toter."

The stringent measures of the Mishawaka police department in enforcing Mayor W. W. Dodge's edict that they clean up the city, are thought by city officials to have driven local bootleggers to become "hip pocket salesmen" peddling their wares on the streets and in business houses where men are prone to congregate. Concrete evidence to substantiate this theory was given by three drunks before Judge John M. Raab in the city court, Friday morning when they admitted having purchased a pint bottle of booze from a "hip toter" for one dollar, after playing a game of pool, Thursday evening. The liquid was of such an aggravating character that despite its small quantity, all three were found on Sarah st., early Friday morning, enacting in a free for all fight, according to the officers. The three men who were arrested were Harry and William Starnes, 204 Second av., Dowagiac, Mich., and Frank Pustal, 219 E. Battell st. All three were fined \$5 and costs, which they arranged to pay. Every effort will be made by officers of the local police department to curb the practice of peddling intoxicating liquor on the streets, and in the city's business houses, according to Chief of Police Barrows, and any one caught while in the act of selling booze in a public place will face a serious charge which would involve both the charge of sale as well as possession of intoxicating liquor.
